I wish to express my sincere gratitude and appreciation to Professor Hiromu Shimizu, Director of the Center for Southeast Asian Studies, Kyoto University, and Assistant Professor Yumi Kitamura, Head of CSEAS Library, for giving me the opportunity to work at CSEAS library as a visiting research fellow and their kind supports during my stay in Kyoto.

I would like to thank Bapak Dr. Ir. Putut Irwan Pudjiono, Head of the Centre for Scientific Documentation and Information – Indonesian Institute of Sciences (PDII-LIPI) for granting permission to participate in this fellowship. I am also thankful to my colleagues at PDII-LIPI for their support.

My special thanks also go to all my wonderful colleagues at the CSEAS Library: Ms. Yasuko Furuta, Ms. Akiko Hayashi, Ms. Chikako Nagai, Ms. Yoko Shirata, and Ms. Katsura Nohda for their kindness, great help and cooperation during my work at the library and for introducing me to Japanese culture and daily life in Japan. They have provided me great opportunity to practice my Japanese language.

I also would like to thank all the CSEAS staff, especially at the Administration Office and the Research Liaison Office, for their valuable assistance so that my life in Kyoto is much easier.

Last but surely not least, I am very thankful to my family for their love, continuous support and help in all my endeavours.

INTRODUCTION

This bibliography was an update for “A Bibliography of Journals from Southeast Asia in the CSEAS Library” that was published in 2002. The journals listed in this bibliography are selected from the CSEAS Library’s collection of journals on issues concerning Southeast Asian countries (Brunei, Burma, Cambodia, Indonesia, Malaysia, Philippine, Singapore, Thailand and Vietnam), be it published inside or outside these countries.

The bibliography consists of two main parts: the main list and the indexes. The main list contains the descriptions of the journals, detailing their title, publication place, publisher, first year of publication, frequency of publication, language, ISSN, call number. It also details the status of the CSEAS Library holding for each journal. There are 550 journal titles in the main list, grouped by country and Dewey Decimal Classification (DDC). They are arranged alphabetically according to title, each is given a unique, chronological number (i.e. the entry number). Following the main list are two indexes: the subject index and the title index. The number following each subject in the subject index and each title in the title index refers to the journal entry number in the main list.

According to country of publication, the majority of the journals were published in Indonesia, the Philippines and Vietnam. Of the 550 journals 2 titles are from Brunei; 9 title from Burma, 2 titles from Cambodia, 207 titles from Indonesia, 58 titles from Malaysia, 84 titles from the Philippines, 34 titles Singapore, 51 titles from Thailand, 75 titles from Vietnam. The rest (28 titles) are published outside Southeast Asia.

Meanwhile, the analysis of the field of study shows that the majority of the journals were on the social sciences topics. The detailed journal topics in each country of publication are as follows:

- **Brunei:** generalities (1 title) and social sciences (1 title);
- **Burma:** social sciences (4 titles), language (1 title), natural sciences & mathematics (2 titles), Technology (1 title) and arts (1 title);
